

**COLEMAN
COMMUNITY
PARK
MASTER PLAN**

We want to hear from you!

Community Forum #1

Join us at Coleman Community Park to learn more about this exciting park design and development project and share your ideas! This is the first in a series of at least three planned community forums that will help inform the park's master plan.

Coleman Community Park is a 70-acre mostly undeveloped community park site located on the east side of Colorado Springs, near the intersection of Tutt Boulevard and Barnes Road. The project involves three focus areas: Creating an active sports hub, integrating Sand Creek and nature, and community park amenities. Coleman Park is expected to be comparable to Memorial or John Venezia community parks, with sports fields and a playground.

Join us onsite at the future Coleman Community Park on *Kids to Parks Day* in Colorado Springs!

- Take a guided or self-guided waterway tour within the future park site. *Guided tours are at 1:10 p.m. and 2:10 p.m. (45-minute walk). Site tour is on unpaved social trails which are not ADA accessible.*
- Learn about the project goals, site opportunities and constraints. Then visit each of the three vision stations to tell us your ideas about the park's design and development which will inform the park master plan..
- Free food voucher for visiting all three vision stations.
- Complete a survey about what you would like to see at Coleman Community Park.

Come see us at the tent!
